WALLIS

ROAD

1-7PM, WEDNESDAY 14 NOVEMBER

FORECOURT OF 115 WALLIS ROAD

Please come and see our ideas for the development of 115-119 Wallis Road and tell us what you think.

The owners of the two properties and their design teams are holding a joint exhibition of our proposals to bring forward part of the LLDC's Hackney Wick Central Masterplan. We intend to replace the 1980's warehouses with new public streets, a canal-side yard, creative workspace and homes.

1-7pm, Wednesday 14 November
Forecourt of 115 Wallis Road

If you are unable to attend, the exhibition will be posted on our website:
